OFFICE NO. 21**

JOHN ADAMS

AGE: 50

OCCUPATION: Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.
State Senators Ackerman, Johnson and Morrow.
Assembly Members Bates, Campbell, Daucher and Maddox.
Supervisors Silva, Smith, Spitzer and Wilson.
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,
Orange County Professional Fire Fighters Association.
Conservative Women's Leadership Association,
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

OFFICE NO. 21**

GAY SANDOVAL

AGE: 50

OCCUPATION: Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to www.SandovalforJudge.com.

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

KELLY ANN MACEACHERN

OCCUPATION: Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian
District Attorney Tony Rackauckas
Sheriff Lee Baca
The Los Angeles Times
Congresswoman Loretta Sanchez
Congressmen Ed Royce, Dana Rohrabacher
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)
Assemblymembers Patricia Bates, Lynn Daucher, Ken Maddox, Tom Harman, John Campbell
Shawn Steel, Chair, California Republican Party
Frank Barbaro, Chair, Orange County Democratic Party
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby
Central Labor Council (AFL-CIO Labor Unions)
Santa Ana Police Chief Paul Walters
Costa Mesa Police Chief Dave Snowden
Irvine Police Chief Charles Brobeck (ret.)
California Organization of Police and Sheriffs (COPS)
Cypress Police Officers Association
Latino Peace Officers Association
Citizens for Law and Order
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

VICKIE ANN BRIDGMAN

AGE: 47

OCCUPATION: Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 27**

GLENDA SANDERS

OCCUPATION: Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

PUBLIC ADMINISTRATOR

JOHN S. WILLIAMS

AGE: 51

OCCUPATION: Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

GREGORY A “GREG” POWERS

OCCUPATION: Dana Point Businessman

Elect Greg Powers for Responsible Dana Point Leadership.

As an eleven year Dana Point resident, Greg has seen the incumbent council members act with narrow visions, misplaced priorities and selfish agendas. The incumbents wasted \$500,000 naming a boat, Squandered \$1,500,000 on their own plans to add a hotel to Strand Beach! All the while using our tax dollars. Now the incumbents have the nerve to ask us to re-elect them?

Greg supports using our tax dollars for Safe Neighborhoods, Clean Oceans and projects that enhance Dana Point's small-town atmosphere.

One of the incumbents pushed through term limits for our council members. He told us that he supported and believed in a two-term limit. We believed him. Now... he is running for a third term? No double standard or deception in Dana Point! Elect Greg Powers- Greg Powers does what he says!

The term limit ordinance, that I whole-heartedly support, allows me to run for Council once more. I want to use this opportunity to move our city forward and make it even better than it is today.

The City's financial condition is excellent. However, we need to continue to clean up ocean water and beaches, repair aging infrastructure, develop our town center, rescind extravagant perks the Council has voted for themselves, re-establish our volunteer network by reviving citizen commissions, re-institute community grant programs and improve our quality of life.

I am a proven leader, team builder and hard worker. I have demonstrated this as owner of a business negotiating settlements in personal injury cases; through my education (Penn State BSEE and University of Denver MBA); through public service and willingness to tackle difficult issues such as water quality, the Headlands, St. Edwards School and signs for businesses; through my involvement with Foothill/Eastern tollway board, South Coast Medical Center, Orange County Fire Authority, Capistrano Valley Symphony, Chamber of Commerce, Historical Society, Chairman of Coastal Animal Services Authority, Ocean Institute Advisory Board and AYSO Soccer referee.

AGE: 68

For the past four years it has been my privilege to serve Dana Point residents as a Council member.

During this time I worked to:

- stop the airport at El Toro,
- restore the quality of our beaches and ocean,
- develop a community-supported plan for the Headlands, ending years of divisiveness around this issue,
- establish the Dana Point Youth Board,
- upgrade our library,
- bring a businesslike, productive spirit to our City Council,
- maximize value for every City expenditure,
- listen to residents and business owners and act on their concerns,
- improve customer service from our City Hall, and
- establish a Master Plan for Parks.

For the future, we need to:

- build on the above achievements,
- curb the ocean pollution that threatens our health and economic base (my top priority),
- rebuild the infrastructure in more mature parts of our City (e.g., Lantern Village and Capistrano Beach),
- ensure that Dana Point's interests are met as the County remodels the Harbor,
- increase resident and business owner participation in City activities, and
- oppose strongly the railroad double tracking proposal and the Home Depot planned by San Juan Capistrano,

Your vote for John Lewis is for commitment and dedication.

Dedicated to study each issue with an honest desire to be fair in dealing with every item that comes before the council with sensible results. Commitment to maintaining our lifestyles and watching our tax dollars.

Supporting:

- Property rights
- A Cleaner Ocean
- Small government
- Safe and friendly neighborhoods
- Business
- Conservation of your cities funds.

Opposing:

- The expansion of the train tracks along our coast.
- Eminent Domain
- Parking meters

I resist major changes in the Lantern District: where I have been living since 1979. This neighborhood with it's diverse mix of residents has a few imperfections but is improving slowly. It doesn't need quick fixes that won't work.

The value of my varied background prepares me to hit the city council on the run. My experience includes: ranching (Grain and cattle), construction (San Onofre Nuclear Generating Station), and a Real Estate Broker (focusing on residential property).

Presently I work several nights each week as a cashier at a convenience store where I get to deal regularly with the full mix of our fabulous community.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE A**

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE A

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

We urge every voter to vote YES on Measure A.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA
Auditor-Controller

ARGUMENT IN FAVOR OF MEASURE B

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.

- **What should I do if I cannot return my absentee ballot myself, and it is too late to send it in the mail?** You may authorize a relative (spouse, child, parent, grandparent, grandchild, brother, sister, or other person living in your household) to return your ballot. Be sure to complete the authorization information on the return envelope.
- **If I lose the ballot sent to me, can I get another one?** Yes. Call the Registrar of Voters office at (714) 567-7561 and ask that a second ballot be sent to you. Or, you may go to your regular polling place and vote a provisional ballot.
- **If I request an absentee ballot, can I change my mind and vote at my regular polling place?** Yes, but you must surrender your absentee ballot with the envelope to the poll worker before voting a regular ballot. If you are unable to surrender your absentee ballot, you may still cast an absentee provisional ballot at your polling place. However, that ballot will not be counted until it can be determined that you have not also voted by absentee ballot.
- **Can I apply for permanent absentee voter status?** Yes. Anyone can apply for permanent absentee voter status. When you are applying for your absentee ballot, simply check the box on the absentee ballot application found on the back cover of this sample ballot pamphlet and return it to the Registrar of Voters office. Please read the important information on the inside back cover before you apply.
- **Provisional Voting!** If your name does not appear on the list of voters at the polling place, you are entitled to vote a “provisional” ballot. You may be asked to show proof of your residence address. A provisional ballot is the same as a regular ballot. However, election officials are required to verify a voter’s registration before counting provisional ballots. If you are required to vote by provisional ballot, the poll workers at your polling place will be able to assist you.
